**May 25 - June 6**

**Chateau de Drancourt, St Valery sur Somme, Picardy**

**Toe In The Water Rally**

**Camping & Caravanning Group**

(nights on site 11)

Due to circumstances beyond our control we have been forced to switch the venue for this rally to Chateau de Drancourt near the medieval town of St Valery sur Somme in the Picardy region. This site which is in an area new to the Toe in Water experience is easily accessible from Calais or Dunkirk. The Toe in the Water rally is designed to help those who have not camped or towed abroad before take the plunge although experienced Continental camping members and their families are welcome.

This site which is part of the superb Castels chain (includes Chateau Le Colombier which was last years venue) is set in the spacious grounds of an unusual Chateau. It is ideal for families. The two swimming pools one of which has a large shute, are surrounded by a sun terrace and have their own small bar. One of the pools is covered in low season. There is a restaurant and lounge bar in the chateau. There is a small shop open all season. The pitches are large. There are many places of interest in this area including the bird sanctuary of La Manquentere which is only 10 miles away. Price for 2 adults, car, caravan and 11 nights on site inc electric hook-up from only £432 crossing via Norfolk Line off peak.
